## English Language Discussion Group

Posted by peterm - 2008/11/11 22:27

---

With the start of the new academic year, the discussion groups for non native English speakers has recommenced at the IUT in Chalon sponsored by UTB.

The group covers a wide range of ages and interests providing a stimulating environment for all participants. A very welcoming group and another opportunity to give something back to the community.

Any member wishing to participate should contact us through the website at [friends@burgundyfriends.com](mailto:friends@burgundyfriends.com).
