Hi Anna,

On our old site we had a thread suggesting a get together for a ride out or two for the good Spring /Summer weather and a number of people came back on this.

Hopefully they will come back for this one and we can get something organised.

What do you ride?

I am hoping to get a honda hornet 600, when I get to france. I am taking my test for full licence in London this week. So, am a new rider.

Where can I get a used bike? I understand there is a honda dealer in dijon.

You will find bike dealers all over the region and there is a greater culture of bikes here than in the UK in general.

hi anna.

My wife and I are into bikes in a big way.

Sue has not long passed her test and rides a

Hornet. We are not living in france yet but

Would love to meet up with like minded people.

Please let me know if you sort out a meet.

If we are over we'd love to come

Hi there. We are keen bikers living in l'yonne. My husband and I both ride GTR 1400s. Our daughters also ride: one a 900 Divvy and the other a 600 Bandit (she just passed her test last week).

Happy to hook up for rideouts.

Liz
