
French Notaires

Posted by kevinm - 2008/02/13 15:57

An article in the January 2008 edition of "French News" makes reference to a new section on the French Notaires Website, www.notaires.fr which now carries an english language section, for those of us who have not yet mastered the language. Just click the union flag at the top to take you into the english language section.
