
Christmas in Burgundy

I would recommend David Cogans' www.burgundyeye.com as a great site for events, accommodation, activities, restaurants etc. for the whole of Burgundy. It is a very comprehensive listings site.

When we get our new site going later this month, David will be providing most of the content for the regional section.

Another similar site worth looking at is Pam Elsom's [BurgundyToday](http://BurgundyToday.com).

Boxing day brunch in Restaurant Le Moulin in La Petite Verrière. Meet a lot English and Dutch (also English speaking) people in a warm and nice Christmas atmosphere (see calendar for details)
